Jyoti was an ambitious girl who wanted to score well in her twelfth board exams and move ahead with higher education. When she was preparing for her exams, her father fell ill and got bed ridden. Jyoti could not prepare well for her exams and had to support her mother with the farm based activities and nursing her father at the hospital.

She came to know about the Skills for Jobs programme at the IL&FS Institute of Skills, (IIS) Kalimpong and enrolled herself for the Certificate Programme in Food and Beverage Services. After completing her training she got placed with Park Hyatt in Hyderabad and she is earning Rs. 12,000 per month. She is also completing her education from IGNOU along with her work

Ever thankful to IIS Kalimpong for allowing her to do the treatment of her father and support her family makes Jyoti feels confident and happy
