Zinnat lost her father when she was in class twelve. Due to this, she had to drop out and start looking for jobs to support her family. Since she could not pursue higher studies, she lost all the hopes of getting good job and felt completely demotivated

Fortunately she came to know about the Skills for Jobs programme at IL&FS Institute of Skills (IIS), Siliguri and was delighted to know that her fees will be covered under the Learn and Earn scheme of the Ministry of Minority Affairs

She cleared the selection tests and enrolled for the Certificate Programme for Retail Sales Associate. After the training, she got a job with Café Coffee day in Siliguri with a monthly salary of Rs. 5,500. Currently, she is working with Vodafone First Source as a telecaller for the company and earning Rs. 6,500 per month
